

Privacy Policy

Overview

Thank you for using the Levelstick app by Leiderdorp Instruments B.V. ("**Company**", "**we**", "**us**", "**our**"). If you have any questions or concerns about this privacy notice, or our practices with regards to your personal information, please contact us at info@leiderdorpinstruments.nl.

When you use our mobile application ("**Levelstick App**"), you agree to the contents of this Privacy Policy. We hope you take some time to read through it carefully, as it is important.

If there are any terms in this privacy notice that you do not agree with, please discontinue use of the Levelstick App immediately.

Data use

We do not collect, use, save, share, or have access to any of your personal data. The Levelstick App only accesses locally stored files, and only those created by the Levelstick App.

Individual settings relating to the Levelstick App are not personal and are stored only on your device. You might also be asked to provide access to Bluetooth. We use Bluetooth to connect to Levelstick devices, for reading its measurements and for transferring settings.

The Levelstick App allows the user to share their measurements files using a share mechanism. We have no access to this shared export data, and it is not shared with anyone unless you choose to do so.

Disclaimer

While every effort is made to ensure the accuracy of this Privacy Policy, the company shall have no liability for errors, omissions or inadequacies in the content contained herein or for interpretations thereof.

This Privacy Policy could include inaccuracies or outdated content and is subject to change at any time without notice.
